

Lifetime Limited Warranty on Residential Cast-iron Electric Boilers in Household Use

FIRST-YEAR WARRANTY INCLUDES:

Repair or replacement in accordance with warranty service procedure, for a period of one year after original installation of all parts found to be defectively manufactured.

SECOND THROUGH TWENTY-FIVE AND AFTER WARRANTY INCLUDES:

Repair or replacement for the second through twentyfifth year after original installation, or cast iron heat exchanger found to be defectively manufactured, at a cost to consumer equal to the percentage indicated below of the manufacturers then list price for the replacement parts:

Year of	Percentage paid by consumer (of list price at time of claim)	Year of	Percentage paid by consumer (of list price at time of claim)
2 thru 10	0%	18	40%
11	5%	19	45%
12	10%	20	50%
13	15%	21	55%
14	20%	22	60%
15	25%	23	65%
16	30%	24	70%
17	35%	25 & after	75%

This warranty extends only to boilers in household use which have been properly installed, operated and maintained. Also, this warranty applies only if the boiler has remained at all times in the location at which it was originally installed. Slant/Fin makes no express warranties other than the warranties contained herein.

NOTE: Boilers are to be used in closed systems. Any application that causes significant quantities of fresh make up water to enter the system is not permitted. Such applications can be met with a heat exchanger that will maintain the boilers in a closed system.

FIRST-YEAR WARRANTY EXCLUDES:

All labor charges incurred by any person in connection with the examination, removal, and repair of parts claimed to be defective and the installation of replacement parts. Slant/Fin may determine it to be necessary that a part claimed to be defective be returned to Slant/Fin. In this case, the cost of shipment to Slant/Fin is borne by the consumer.

SECOND THROUGH TWENTY-FIVE AND AFTER WARRANTY EXCLUDES:

Sheet metal jacket, insulation, and electrical and mechanical components furnished to Slant/Fin by other manufacturers, such as relays, controls, gauges, etc. Such components may carry warranties from their respective manufacturers and Slant/Fin has requested its dealers to assist consumers in obtaining performance of any warranties which may cover such components. Also excluded are all labor charges incurred by any person in connection with the examination, removal and repair of parts claimed to be defective and the installation of replacement parts. Slant/Fin may determine it to be necessary that a part claimed to be defective be returned to Slant/Fin. In this case the cost of shipment to Slant/Fin is borne by the consumer.

Procedure for warranty service:

Contact the person who installed your Slant/Fin boiler for warranty service. That person will notify the Slant/Fin wholesaler from whom the boiler was purchased. Alleged defective part(s) must be returned through trade channels and replacement part(s) will, if warranty conditions are met, be provided by Slant/Fin through the wholesaler. If there are any questions about the coverage of this warranty, please contact Slant/Fin at the address shown below.

Limitations on implied warranties and damages:

Slant/Fin's sole obligation in the event of a breach of any implied warranty (including, but not limited to, implied warranties of merchantability and fitness for a particular purpose) is limited to repair or replacement, and all such warranties are limited in duration to the period of ten years after the date of original installation. This warranty does not cover claims for incidental or consequential damages resulting from a breach of any express or implied warranty or any other reason.
