For warranty details, see pgs. 38-42		

## Code Approvals:

Slant/Fin boilers meet most codes throughout the United States. Listed below are code approvals which **we are most frequently asked about**. However, please consult your Slant/Fin representative regarding other approvals you may have to meet.

**National:** All Slant/Fin boilers are approved by various agencies listed below.

All Slant/Fin boilers have AHRI approved ratings. Ratings for boilers with inputs less than 300,000 Btuh are established under ASHRAE Standard 103 as required by DOE and are verified annually by Hydronics Institute under the AHRI DOE Verification Program.

Ratings for boilers with inputs 300,000 Btuh and over are established by Hydronics Institute under AHRI test procedures.

Slant/Fin is a holder of an ASME Certificate of Authorization and Code Stamp. All cast-iron and electric boilers are built to the requirements of Section IV of the ASME Boiler and Pressure Vessel Code.

**New York City:** Slant/Fin boilers meet the requirements of B.A.R. "Bureau of Air Resources".
